

LAKE BOGORIA SPA ATI MEETING

Looking at the Bigger pictures

The Co-operation for Peace and Development(Amaya Triangle Initiative) Counties of Baringo, Isiolo, Laikipia and Samburu unites to bring together sustainable [policy approach towards addressing the common development challenges especially on insecurity, resource conflicts, food insecurity and drought emergencies and livelihoods among others

In that spirit, we the Amaya Counties condemn in the strongest terms possible the recent killings, violence and destruction of private properties, including forceful invasion of farms .

We call for pastoralists from other counties to return to their respective counties. We Call to the Government to enforce law and order.

Request National Government and HE to fast track the cooperation for peace and Development conditional grants

Strengthen inter-governmental coordination on crisis management, disaster preparedness and response (regional disaster preparedness and response strategy)

The ATI Livestock sector to initiate holistic range lands plans to strengthen resource based governance -grazing management, livestock mobility
NCIC in collaboration with ministry of interior and coordination to conduct a conflict sensitive reporting for the media in the region

The ATI secretariat and other peace actors to intensify inter community peace dialogue to promote peace and cohesion in the ATI counties.
